Grades 3-5 Summer Reading List

**Newton
County
Schools**

Dear Parent/Guardian,

The summer months are a wonderful time for you to help your child develop a love for books and reading. The Newton County School System and Newton County Library look forward to helping you plan a reading program for your child to last the whole summer.

Research shows that children who do not read in the summer lose two to three months of reading development. The Newton County School System is working hard to help every student achieve at high levels, and literacy is a top priority in every school. We need your support in ensuring that your child meets these expectations. Your example and encouragement will go a long way toward helping us reach the goal of every student becoming an excellent reader.

This summer book list will help you assure that your child is reading high quality literature. Your local librarian can suggest additional titles. Happy reading!

Dr. Penny Mosley
 Director of Elementary Education
